STAGE 3 Homework Term 2

Dear Parents/Carers,

In Term 2, Stage 3 homework will be available on See Saw. A daily schedule of tasks will be set to post at 3pm each day between Monday and Thursday. Teachers will site and like submitted tasks at the end of the week. All students have an individual log in to See Saw and are familiar with how to use this online program. Tasks are expected to be independently completed by students and turned in for checking. The weekly schedule of tasks is listed below. Students are encouraged to spend time on homework tasks across the week, as well as continuing to participate in usual after school activities. Each day, students can select from the daily tasks, the right amount of homework for them to complete. Homework is **NOT** compulsory but is offered in Stage 3 as a way of establishing students' accountability to their learning in preparation for High School homework expectations.

Please encourage your child to discuss concerns regarding homework with their teacher as they arise. This is also another opportunity to support students to take control of their learning and seek help when needed.
